I've been lately thinking about my life time

All the things I've done

...How its been

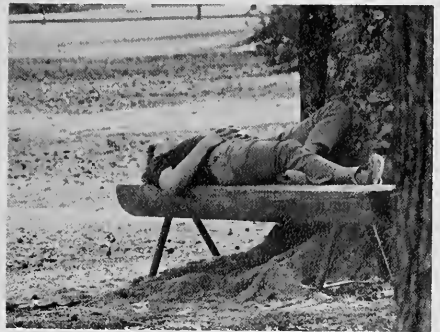

And I can't help believing

I'm going to hate to see it end

I've seen alot of sunshine

I've slept in the rain

I've made all kinds of friends

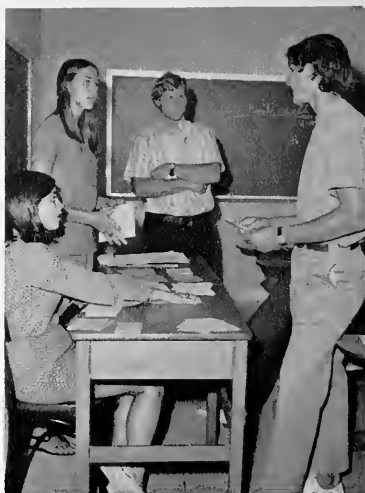

And what about our dreams?

And things that we believe in

THE GOOD TIMES

THE BAD

And All The Memories We Shared

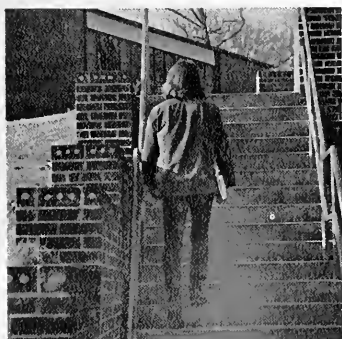

Some of Us Were Lucky

How Right It Is To Care

And Wonder About Tomorrow

So Many Things

My Mind Has Known

I Can Say It Now . . . It's Been A Good Life All In All

poems prayers and promises

All The Things I've Done
How It's Been
And I Can't Help Believing
I'm Going To Hate To See It End
I've Seen A Lot Of Sunshine
I've Slept In The Rain
I've Made All Kinds Of Friends
And What About Our Dreams
And The Things That We Believe In
The Good Times And The Bad
And All The Memories Weve Shared
Some Of Us Were Lucky
How Right It Is To Care
And Wonder About Tomorrow
So Many Things My Mind Has Known
I Have To Say It Now
It's Been A Good Life All In All
I'd Like To Sail Away
And Talk Of Poems Prayers and Promises

CHOWAN

IMPRESSIONS

Mrs. Jean F. King

Since 1964 she has devoted her teaching talents to Chowan College.

Her love for Chowan and dedication for its students are evident to all.

It is for these reasons and so many more that the students of Chowan College dedicate this yearbook to Mrs. Jean F. King.

In this way we wish to thank her for her understanding, for her dedication to the students and the Chowan "Family", and for her kindness to all.

Thank you Mrs. King.

It has become tradition at Chowan in the past for the Yearbook to be dedicated to an outstanding member of the faculty or administration.

It is the dream of each yearbook staff to set tradition aside and aim for the new with hopes of making their ideas tradition of the future.

Instead of choosing this person ourselves, the staff this year let the student body choose, by ballot in chapel, the faculty member whom they felt deserved this honor in hopes of making tradition.

Here are the members of our faculty and administration who have had this honor in the past seven years.

Lowe explained that the students were selected on the basis of academic achievement, participation in extracurricular activities, general contribution to the campus and community, and promise of future potential. "The 23 chosen are indeed honor students," Lowe commented. "We at Chowan are proud of them and pleased with the recognition they have received."

The 10 men and 13 women represent six states. They are: James Brewington Acker, Ray Jennings Brigman, Timothy Michael Brown, Gary McKenzie Brock, Sterling Calvert Gatling, James Thomas Hunter, Jerry Andrew Morris, Michael Gary Sternberg, Robert Watkins, II, Anton Douglas Wingerter, Miss Robin Andrews, Miss Faye Bellamy, Miss Linda Lee Carawan, Miss Patsy Ann Copeland, Miss Judy Davis, Mrs. Mary Gay Taylor Evans, Miss Rhonda Fenstermacher, Miss Glenda Grizzard, Miss Betty Hurdle, Mrs. Rose Willey Massey, Miss Faye Overstree, Miss Donna Pullen and Mrs. Due Ella Garner Willis.

GROUND IS BROKEN FOR NEW SCIENCE & ENGINEERING FACILITY

The new science-engineering facility will serve the students by providing space for eleven laboratories, equipped for learning in biology, mathematics, chemistry, botany, physics, microbiology and anatomy-physiology. Students will also receive the benefit of an environmental study area, eleven modern classrooms, lecture hall, library and resource area.

The three-story, 43,000 square foot facility will be located to the rear of McDowell Columns building and will join Robert Marks Hall as the second major classroom facility at the college. Based on bids, which were received earlier this year, the cost of the facility will be approximately \$1.2 million equipped. A "Mission Possible" development program was completed to raise \$1 million toward the cost of construction of the new building.

Groundbreaking ceremonies for the structure was held on Monday, February 21. The public was invited to the ceremony, and was held following a joint meeting of the Board of Trustees and Board of Advisors in the Whitaker Library.

The new building will replace the overcrowded and underequipped Green Hall, center of the science program which was constructed in 1956 when Chowan's enrollment was 250. The college now has an enrollment of 1,533 in the fall of 1971 and officials have declared the present building "inadequate" to accommodate the present enrollment.

YEARBOOK PRODUCTION

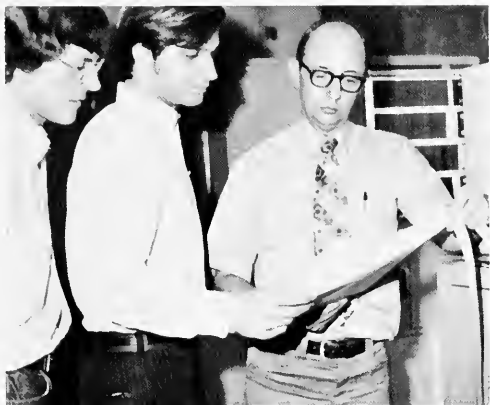

Chowan College is unique in the sense that its Graphic Arts Department publishes the college annual. There are only a few who realize how many student hours actually go into the publication of the annual. It is the hope of this year's staff that the new few pages might give a better understanding as to how THE CHOWANOKA is put together.

In the fall semester, the Graphic Arts Department selects two editors to head the annual staff. As editors, they receive scholarships from the college and are responsible for the coordination of all operations involving the book. The Graphic Arts Department also chooses a Production Editor who is responsible for all stripping and printing operations.

After a semester and a half of hard work, the printed pages are folded and shipped to the binder, where the finished annual receives its cover.

The Graphic Arts students who helped in the printing of THE CHOWANOKA deserve the gratitude and respect of each student and faculty member and many thanks from the Editors for a job well done!

. . . a job well done!

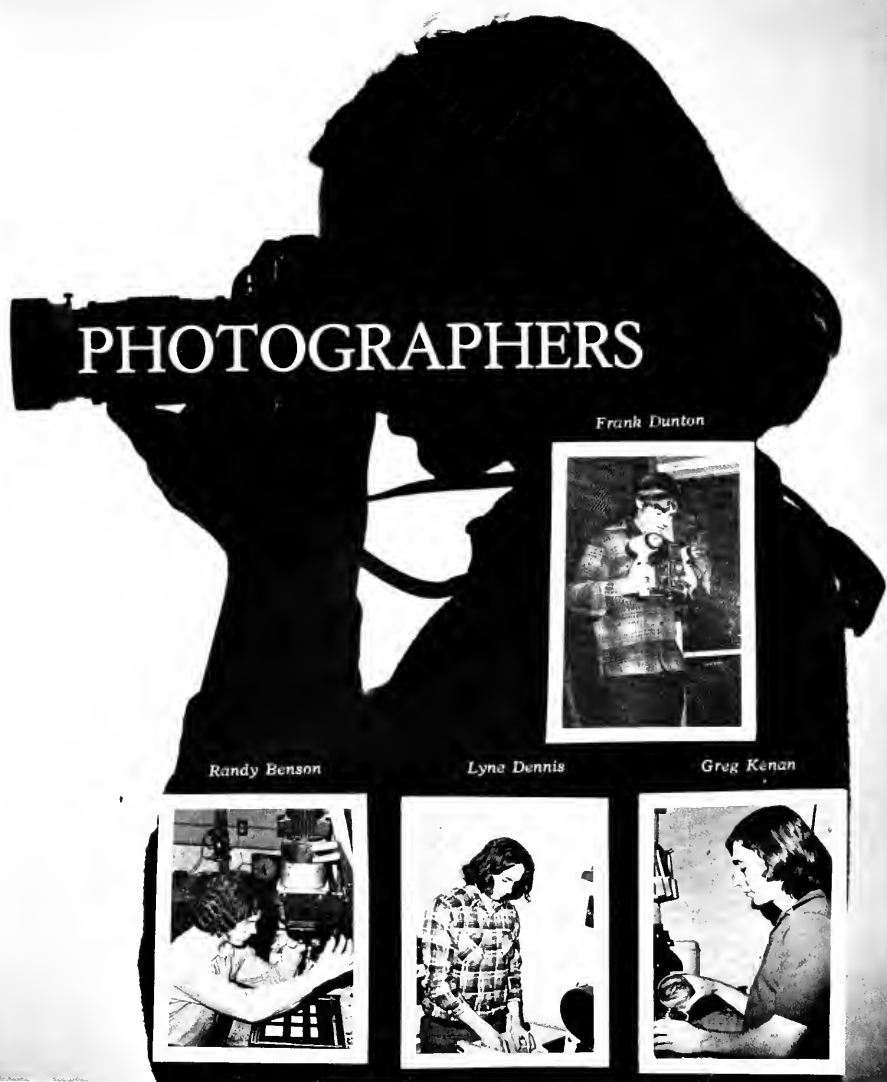

Editors Roger McJilton and Mark Klevence discuss layout with Graphic Arts Department Chairman Herman Gatewood. It is Roger and Mark's responsibility to oversee all yearbook operations.

Yearbook Advisor William Sowell discusses some of the many problems involving production with Mr. Herman Gatewood.

Mr. Perry and Mr. Sowell show that yearbook production involves much work and some play.

After pictures have been shot and developed, they are ready for the stripping process. Joe Rogers, a sophomore at Chowan, is attempting this process while Editors Mark Klevence and Roger McJilton look on.

STRIPPING

The book is now ready to be printed. Willie Davis is running the "Chief."

The final step before shipping is the folding operation of the book. David Oxendine performs this operation.

Editor Roger McJilton looks on during printing operations.

The Graphic Arts students who spent many hours making this edition of THE CHOWANOKA possible should be congratulated for a job well done!

Production Manager's note:

As Production Manager of this years "Chowanoka" I would like to express my appreciation to the students of the Graphic Arts Department.

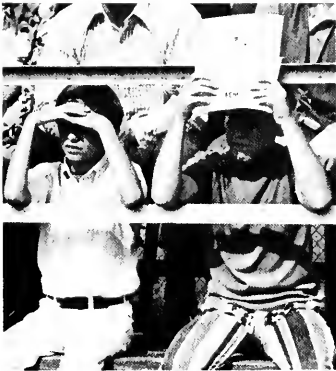

It is hard to say thank you to everyone who helped put this book together. I would like to give special thanks to Joe Rogers, Dave Oxendine, Bill Fest, Willie Davis, James Bobo, Charlie Martin, Wilber Suggs, Donald White, Craig Bailey, Mr. William Sowell, and Mr. Harold Perry.

This book was born with a combination of many thoughts, ideas and feelings. I hope the yearbook staff has achieved the true feeling of campus life.

Left to right: Kathy Ritko, Program Chairman; Martha Lynch, Social Chairman; Jane Paul, Secretary; Eddie Lineberry, Treasurer; Danny Holton, President; Wayne Ferguson, Social Chairman; Dr. Morris Carson, Sponsor; and Richard Jackson, Social Chairman.

The Spanish Club is composed of approximately 80 students who have had at least one year of college Spanish or its equivalent. The club provides an opportunity for these students to use their knowledge of Spanish in real life situations outside the classroom.

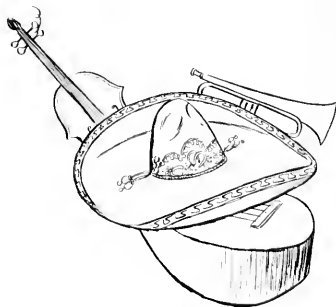

Each year the club presents an assembly of Spanish songs, music and dances. This year the Spanish Club presented its program entitled "Mexican Fiesta" to high schools in Virginia and North Carolina reaching approximately 6,000 high school seniors.

On other occasions Spanish Club members represented the college on television by way of the Mildred Alexander Show and the Peggy Mann Show.

For Spring Festival each year, the Spanish Club has a Mexican Taco Booth.

The Spanish Club feels that language is a personal instrument and a communicative art; therefore, its fundamental principal is that of reinforcement of Spanish learned in the classroom.

The Spanish Club is sponsored by Dr. Morris Carson.

CIRCLE K

Circle K is a service organization through which college men and women can find a means of responsible student action in their communities and a more active role in the life of their campus. Circle K is in itself a practical laboratory for the development of personal leadership skills and the growth of personal initiative in analyzing the needs of our environment and attempting to find solutions for them.

The list of services rendered by this club is almost endless. Some services performed are: the raising and lowering of the flag in front of McDowell Columns, the promotion of bloodmobile visits in the community and on campus, ushers for drama productions, food donations given to needy families at Thanksgiving, and support for the "Fight Against MS."

ALPHA PI EPSILON

Alpha Pi Epsilon is a national honorary society, which seeks to recognize young people of good moral character, intelligence, leadership, scholarship and superior competence in secretarial subjects. In order to qualify for membership in APE, a student must maintain a B average on all work and must also possess the qualities of accuracy, dependability and initiative.

Alph Pi Epsilon is very active on the Chowan campus, engaging in many service-type projects, as well as those for money. Members act as hostesses at the many and varied social functions on our campus, distribute such helpful aids among the student body as "How to Write a Letter of Application," "What to Expect During a Job Interview," etc. Money-making activities include such activities as selling candy and Chowan College stationery.

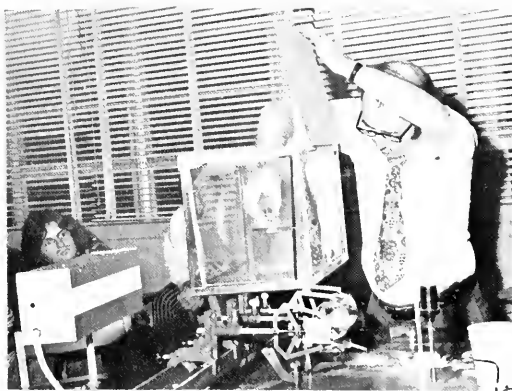

Alpha Phi Epsilon members are, front row, left to right: Mary Evans, Judy Davis, Terry Oatman, Betty Roark, Mrs. Dorothy Wallace, sponsor. Second row: Donna Crawford, Jody Litwinowicz, Jeanne Anderson, Debbie Carter, and Kathy Kress. Third row: Terry Shoulders, Betsy Jordan, Linda Powell and Donna Davidson.

CHOWAN COLLEGE SCIENCE SERVICE ORGANIZATION

The Chowan College Science Service Organization consists of dedicated students trying to do a service to Chowan College and the surrounding community. In the past the CSSO has sponsored many projects in an effort to show the Ecological crisis which is at hand. The organization has sponsored Clean-Up Day campaigns including a glass collection program. They constructed a nature trail and sponsored speakers for lectures on Ecology.

*In recognition of the work done in
dramatics here at Chowan College,
fifteen students are members of Delta
Psi Omega Dramatic Fraternity, Cast
149. This is a national honor society in
college dramatics, recognized in over
two hundred colleges and universities.*

*Top row: Linda Carawan, Virginia Roberts, Olivia Winslow, Ellen Ward. Bottom row: Ted Dent

STUDENT GOVERNMENT ASSOCIATION

Student Government Association officers are, left to right, front row: Barry Bradberry, Linda Hill, Chris Lobi, Mike Sternberg. Second row: Mr. Ed Wooten, Advisor, Joel Rose, Tim Brown, and Bob Culver.

The Student Government Association of Chowan College is composed of all students; however, an Executive Council heads up the organization. Members of this council are elected by the students through a popular vote.

The purpose of the S.G.A. is to represent students in accordance with rules, regulations, and social functions. Through the initiative of the organization the Constitution may be revised or rearranged. The Student Legislature is also controlled by the S.G.A. The group meets twice a month in order to discuss any problems that may have come up with the students. Many revisions which take place in the Constitution begin in the Student Legislature in the form of a bill. This bill proceeds through numerous steps and finally ends up in Dr. Whitaker's office. It is with Dr. Whitaker and the Board of Trustees that final decisions are made.

Of the many social events, the Student Government Association is responsible for the entertainment during Spring Festival, Homecoming, and the rest of the year with dances, movies, concerts, and speakers.

The main function of the Chowan Surfing Association is to promote surfing on campus. Because of our location, about two and one half hours from Cape Hatteras and one and one half hours from Virginia Beach, Chowan College attracts many persons interested in surfing. The club organizes trips to the resort cities and on occasion organized meets with other colleges. The club has trips planned to Hatteras on several weekends and over our spring break they plan to head for Cocoa Beach, Florida.

Members of the Chowan Surfing Association are, left to right, Wayne Ferguson, Dave Koger, Preston Vernon, Robert "Peanut" Johnson, Delbert Milton. Second row, Tom Whitehurst, Jim Yarbrough, Bruce Fryer, Mike Albertson, Mark Bailey and Tom Viele.

CHOWAN SURFING ASSOCIATION

Men's Council is composed of, front row, left to right: Lewis Young, Vice-President; Ray Ross, President; Terry Thomas, Secretary; and Eddie Beach, Sergeant-At-Arms. Second row: Herb Hirzel, Willie Davis, Ted Grissom and Hugh Clark.

The Men's Council has the authority of the college to hear cases of student infractions of rules and regulations. Its authority extends to all students an equal right to a hearing before his peer group. Decisions of this group are the final word in almost every case.

MEN'S COUNCIL

WOMEN'S COUNCIL

The Women's Council, like the Men's Council, has the right to hear cases of student infractions. They extend to all students the right to a hearing before their peers. They also have the final say in passing judgement upon students.

Women's Council members are, front row, left to right: Debbie Bryant, Mary Pat Nuckles, Sue Wells, Brenda Woodfin. Second Row: Barbara West, Hilda Escobedo, Doris Smith, Barbara Harrell. Third row: Marlene Miller, President; Ann Pell, Vice-President; Judy Davis, Secretary; and Olivia Winslow, Sergeant-at-Arms.

SKYDIVING CLUB

The Chowan College Skydiving Club, although not one of the most active clubs on campus, is composed of men and women who are interested in the art of skydiving. Members are instructed how to freefall, when to open their chute, and how to land. All jumps are made from the nearby Woodland Airport and the group has their own pilot.

CHOWAN COLLEGE

STAGE BAND

The Chowan College Stage Band, better known as Bob Brown's Band, is composed of students of the School of Music. The band has appeared in the college talent show and has also played for fund raising affairs in the community. Although little is known about the group on campus, they are an indispensable part of it. In future years, they will become better known because of student interest.

Members of Robert Brown's Band are, left to right, first row: Jan Chamblee, piano; Ricky Winters, guitar; Professor Bob Brown, saxophone; Joe Fernandez, saxophone; Chip Brown, saxophone; Andy Yakim, saxophone; Jim McLane, trombone; Donnie Craft, trombone. Second row: Wilson Quaintance, drums; Brent Whetstone, trumpet; Dave Silva, trumpet; Carl Tilley, trumpet; John Daughtrey, trumpet; and Tim Timberlake, drums.

Monogram Club members are, front row, left to right: Mike Reid, Tom Evans, Coleman Coffelt, Ricky Leonard, Andy Pervis, Micky Thompson. Second row: Eddie Herring, Jerry Goney, Pierce Zehler, Jim Stanko, Simmie Taylor, Gary Brock. Third row: Stuart Christian, Terry Wells, Chip Bishop, Ray Brigman, Mark Aiken and Bill Henley.

The Monogram Club is composed of young athletes who have lettered in either football, basketball, baseball, track, tennis, or golf. Membership is purely on a voluntary basis. The club is very active in promoting all around goodwill on campus.

MONOGRAM CLUB

SMOKE SIGNALS

CHOWANOKA STAFF

Editors Mark Klevence and Roger McJilton compare notes over the layout of the organization section of the yearbook.

Many hours are spent by the editors and their staff in putting the yearbook together. You, the public, only see the finished product. We, the staff, try to keep you informed in order to stir campus interest. Many have taken interest in this book, but also many others have not.

Our special thanks . . .

After weeks of hard work, our deadline is drawing near. We wonder if our efforts will pay off. Will the members of Chowan, students and faculty alike accept this 1972 "Chowanoka" as a true representation of this year. The memories this year has left be they good or bad, will be fond ones as you leaf through this annual in the years to come.

The theme "Poems, Prayers and Promises" was chosen from John Denvers song album. The staff felt it a very dominant feeling on campus. Poems, written to those who are dear, Prayers, for that passing mark, be it grade or a standard set for yourself and your friends, and lastly, Promises. Promises made to yourself, reflecting those Poems and Prayers.

It has been a real experience; the challenge, the new friends, the enemies, the pure satisfaction of doing something that everyone will remember. It is truly an experience that we will never forget. There are so many people without whom there would be no annual. Our special thanks to Mr. Harold Perry for his kindness and understanding when the chips were down, and to Mr. William Sowell and Mr. Herman Gatewood for their guidance and leadership throughout the semester. Without their combined efforts, an annual would have been impossible.

And the students, Robbie Abernathy, who was there whenever we needed him, Randy Benson and Frank Dunton whose work in the darkroom truly made the book the success it is, Joe Rogers, Rick Merritt, David Oxendine, Willie Davis, Charlie Martin, and all of the Graphic Arts students. Their extra efforts and time will never be forgotten. We would also like to thank Aubrey Shelton for his art work in the sports section, Shelly Peace for typing and special thanks to JoErn Connelly and Nancy Long for their work in paste-up.

If there is anything to be learned from this experience it is that to care is to do your very best regardless of personal conflicts. PEACE.

The editors of the 1972 "Chowanoka" hope that you will enjoy this publication as much as we have enjoyed preparing it for you.

*Their smiles, their cheerful looks make one think
Is this what life is all about . . .
This feeling inside is felt in dreams,
But dreams go wandering off in the night.
They walk along without a care, with a glow of spring,
With each and all their happiness to share.
To reach this chord is one's life's hope,
The harmony inside.*

*Running through a honey dew field of rippened wheat
Or walking along the golden sandy beaches of the ocean,
This feeling inside is refreshing to all.*

*Looking up to a cloudy blue sky to see only a single
Bird in flight, or watching the waters of a river
flowing by . . . and laughing at something that makes
one cry.*

*Lying on one's back, looking up at a full moon
On a clear night, and trying to think what's right.
These feelings inside, these hopes, dreams bring.
Happiness and peace to all mankind.*

*The tide comes in, the tide goes out . . .
The world with troubles comes in, harmony goes out . . .
Windy it was this day in my mind.*
